

Dear DoDEA Family,

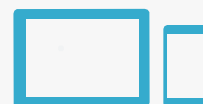

DoDEA uses ClassLink to provide a safe and secure website to access all digital resources needed for school. ClassLink is the digital starting point for education, whether it's in the classroom or at home.

Please follow the directions below to get started:

## COMPUTER

- 1 Go to <https://launchpad.classlink.com/dodea> or select the ClassLink icon on a DoDEA-issued computer.
- 2 If the student has a QR badge, click the QuickCard button. Otherwise, click to **Sign in with Google** and enter a valid **@student.dodea.edu** email address and password.
- 3 If you receive a Google error, make sure that you are *not* logged into the browser with your personal Google account.

## MOBILE

- 1 Download the ClassLink app on the [Apple Store](#), [Google Play](#), or [QuickCard by ClassLink](#) (for iPad users who use the QuickCard).
- 2 Within the app, search for and choose **DoDEA** (first time only).
- 3 Enter your **@student.dodea.edu** email address and password or click the QR button to use the QuickCard, if you have a QR badge available.
